1: The Great War

Contents

Terry and the heroes discover a sinister plot to throw the universe into disorder. They meet with sayans from a distant planet and travel across the galaxy to fight the Dark Empire, and they enter a conflict beyond imagination.

2: The Great War - II - Mascus Colony

Contents

Terry must fight for the survival of the colony, as well as his own life. Along the way, he unlocks hidden powers, discovers his true identity, and also finds love.

Jerrell has established certain rules, among one of them is that love is forbidden. Years of war has shut Margarita's heart in stone. Can Terry open up her feelings once again, and overcome her overprotective brother's challenge?

3: The Great War - III - A Cruel and Ironic Fate

Contents

After several failed attempts at destroying the colony, Dark Spectre is furious, as he will do anything to eliminate the biggest threat to his empire. Starburst, an old enemy of the colony, has a sinister plan that no one expects. Just when Terry is getting used to his new home, he finds the colony in ashes, and in a fit of rage, searches for who's responsible. But he ends up being kidnapped and brainwashed to believe that he

works for the Empire. Now, it is up to Margarita and the remaining colonists to bring Terry back to normal, as they face a cruel and ironic fate.

4: The Great War – IV - Guardian Planet

Contents

The battle ends up on the Guardian Planet, where the search for the Anubis Crystals begins. These legendary crystals hold the key to ultimate power. But Blaze and Dark Spectre have already arrived, and the search becomes a dangerous game of life and death.

It becomes more than just a scavenger hunt, when Terry meets up with his long lost brother, while Margarita also confronts someone from her past. Surprises and twists are at every corner! Who will finally possess this legendary power?

5: End of the War

Contents

Every war has a beginning and an end. One quiet day, a stranger who claims to be Margarita's friend from the colony shows up and asks them to join the final series of battles to end the Great War once and for all. Upon their arrival on Draconia, Margarita meets someone from her past – a past that she's not proud of. As the Rebels and the Empire fight each other to death, the G-Force has intentions of their own. What link does Margarita have with the G-Force? Can Terry get her out of it in time?

6: A Warrior's Life

Contents

Terry and Margarita try to have a normal life, but it's as normal as it gets for the lives of these two sayans and their companions.

The Black Needle

The villagers in Planet Atari are suffering from an unknown disease called the Black Needle. The one responsible is a madman by the name of Dr. Doom. He enjoys other's suffering and he's not about to give to anyone's demands. Can Terry Spade's fist change his mind?

The Tribunal

A lost girl being chased by hunters from another world. A man imprisoned for speaking out the truth. A merciless tribunal who passes judgment on those who rebel. All these spell disaster for our heroes, as they get sucked into another dimension where the Tribunal rules everything. To complicate matters further, they lose most of their powers because of the intense gravity. Will they heroes be able to destroy the Tribunal and get back home?

The Warrior Bride

Everyone has a price. Terry Spade's price happens to be 600 million UU's. That's more than enough to attract to ruthless bounty hunters, Griffif and Gordex, to hunt down the famous sayan and bring his head back to the committee. Terry and Margarita

are about to get married, but it looks like their wedding will have to be postponed.

Parasite

Blind Fury

7: Vegeta's Visit

Contents

Seven years have passed since the Great War. Terry and Margarita now have a child named Tyson Spade. Vegeta, hearing of Dark Spectre's demise and the Dark Empire's fall, decides to pay a visit to earth, for the purpose of finding the Legendary Anubis Crystals. But it's not that simple, as Margarita has a past grudge against Vegeta – a grudge that goes all the way back to the Great War. Can Margarita overcome her past and save the next generation from suffering the same fate?

8: Destiny Awaits

Contents

War never has an end. Dark Spectre's vengeful brother vows to kill all the earthlings, starting with the sayans. Tyson and Nebula, the super kids, must learn to fight by themselves. And meanwhile, Terry, Margarita, and Zelfire must learn to *fight against themselves* – their evil clones.

9: High School

Contents

It has been a few years since the death of Vegeta and Destiny, and the heroes have lived peacefully during this time. Margarita finally knows what it means to have peace – living day by day without having to worry about death. But what happens in the household is anything but peaceful. She expects her kids to be strong, yet she overprotects them – a frustrating contradiction. Terry continues to train, and he prefers to do it alone.

The super kids – Tyson, and his adopted Nebulan brother Nebula, have grown up a little bit and reached adolescence. But to their parents, they're still just kids. Through their childhood, they have faced many dangers and life-threatening situations, but now they will face their most challenging challenge yet...high school.

10: The Other Dimension - Part 1

Contents

The heroes have to face the Dark Society, a secret army organized by sayans from another dimension, under the leadership of the powerful and mysterious Vega. His goal is to gather all the energy he needs from humans to fulfill his goal of uniting the two dimensions. Tyson and the heroes team up with warriors from the second dimension, who were former victims of Vega's tyranny. Included is the beautiful Princess Faith, whose kingdom has fallen to Vega, but it seems she has intentions of her own. Even with new allies, will the heroes be able to stop Vega's tyranny?

11: The Other Dimension - Part 2

Contents

Vega has finally filled the Silver Crystal with energy, and the merger of the dimensions has begun! With the four-armed demon Goro and the traitor Darian at his side, who can stop him? Tyson and Princess Faith's love is put to the test. Will a love between people of different dimensions last?

Castle in the Sky...Rubeus Attacks!

An old enemy of Faith returns with a new plot: to gather all Anubis Crystals so he can become invincible. But not if Tyson can help it. He'll stop Rubeus from summoning the power of the crystals at all costs.

12: Humble Beginnings

Contents

Tyson's future is just beginning as he begins to face some of life's challenges - such as finding a job to support himself and Faith. During his search, he's introduced to the Lair - an underground fighting league where everyone is out to get each other. The Lair is definitely more than meets the eye, as it leads him to a mad scientist, a sleeping warrior, and a clue to the conspiracy of Julian's death.

13: Magnificent Seven

Contents

The fate of earth rests solely on five warriors - Tyson, Nebula, Faith, Macintosh, and Zelfire. With a new emerging enemy, a secret terrorist group composed of seven warriors, each with their own unique abilities, the heroes' powers are put to the test.

Meet Chaos - a mad android who likes to kill his victims slowly - Morpheus, the renowned Master of Illusion and a sadistic killer - the Phantom, a silent and deadly being whose sole purpose is to kill - and others. In order to rise up to the challenge, Tyson Spade must summon a legendary power - at the risk of losing his soul. Can he harness this power and surpass his father?

14: The Second Stage

Contents

The battle heats up as Morpheus takes on the heroes personally. He's already killed some of Jerrell's best agents, and he won't hesitate to kill Tyson and add him to his collection of deaths. And he also has his eyes on Faith - it's up to Tyson to protect his woman from the madman.

In order to defeat this new enemy, Tyson must ascend to the Second Stage and become a super sayan. But who said having this newfound power was easy? It is eating away at Tyson's heart, turning him into a bitter and angry abuser, causing him to lose his friends and even Faith. In order to become a true super sayan - he must first face himself - otherwise he won't stand a chance against the Master of Illusion.

15: The Second Stage II

Contents

Deadly Games! A City in Danger

With the Magnificent Seven's collapse, only two members remain - Morpheus and The Phantom - the two deadliest of the group. When these two titans join forces, it could mean the end of the world as it is. Tyson must harness the full power of the super sayan and protect the city - but can he even protect himself and his loved ones?

The Ring of Destiny

Morpheus, the Master of Illusion - once thought dead - is still alive. As the last surviving member of the Magnificent Seven, he has a plan to kill Tyson for good. Can he destroy Morpheus for good...or die trying?

Mask of the Phantom: The Unlikely Alliance

What was supposed to be a mountain hike goes terribly wrong for our heroes as The Phantom and Nebulax join forces. An unlikely alliance - these two work together for the sake of defeating their common enemy - the super sayan known as Tyson Spade. This time, The Phantom's secret weapon is his identity - no one has seen what face lies beneath its mask...until now. Will the heroes survive this camping trip of horror, or will fall into the duo's trap?

16: Mixed Trouble

Contents

Hidden Danger! A Trip to Almerak

Just when Faith is getting settled into her new home here in this dimension, she receives a distress call in the form of an injured soldier. The Koga clan is threatening to assassinate the king - Faith's father - and it's up to the heroes to stop this assassination. But the Koga work in the shadows - no one knows who they are or how they work...

The Chosen Two

Long ago, it was foretold that the chosen one - the warrior who wields the Soul Swords - will be sacrificed to save her kingdom from the two headed demon Labyrinth. And that time is now - Faith has been called back home to face her destiny. Will Faith and Tyson's love save her from certain doom...or has her path already been decided by fate?

17: Dangerous Games

Contents

Poseidon, God of the Seas

Long ago, Poseidon's loyal follower and lover, Cassandra, was turned into stone by a powerful spell. Today, humans have found the Statue of Cassandra in the ocean, and they plan to

The Silver Warrior

What was supposed to be an innocent vacation turns into a nightmare voyage as Tyson and Faith get trapped in the Malaysian Mountains. The native tribesmen were unfriendly at first, but they eventually accepted the couple as their own. The Silver Warrior claims the natives' land for his own, and if they don't surrender, there will be consequences. But for some reason, Tyson and Faith's spirit power has diminished. Will they solve this mystery before they get killed?

28: Gladiators

Contents

Tyson and Faith get kidnapped and transported to the Coliseum, where ruthless and blood-thirsty warriors called Gladiators fight to the death. Tyson meets a new friend in the prison, but not even friendship lasts in this brutal tournament where everyone is an enemy.

To make matters worse, the super kids mess around with Blazer's teleporting machine and get transported to planet R-10, where a war is being waged between a tyrant named Enzyme and those who wish to overthrow him. How will they get out of this predicament?
